Dear Rev. Huggins:

Thank you so very much for being a prophet of the Lord to us, and bringing the precious anointing of the Holy Spirit in this winter Holy Spirit conference. We will never be the same, after spending these hours in the presence of God. These meetings are unequalled in our experience. We only trust that we will grow from faith to faith and from glory to glory, as by the Spirit of the Lord.

Words are so small to convey the deep thanks that we feel. Each time we are with you, we are humbled at your gift and your yieldedness to the moving of the Spirit. We are striving to learn to walk with God after your example. We pray that somehow in all your giving you have also been refreshed by His presence and that you will continually flow in ever-increasing anointing. We pray that God will bless you and Loretta abundantly, and that more doors of opportunity will be open to you where hearts are hungry for God. We pray that your lives will be especially blessed at this Christmas season, as we celebrate the Savior who loves us so.

Our prayers and faith are continually with you. Thank you again for obeying God each night in this Holy Spirit conference. Please keep in touch!

For Him,
